Code of Conduct

A member of the Python community is:

Open

Considerate

Respectful

What does the PSF do?

The PSF protects the Python trademark

The PSF:

Gives out grants to support Python events
and Python development

The PSF:

Houses Python community infrastructure
such as python.org and pypi.org

The PSF:

Organizes and hosts PyCon US

The PSF:

Celebrates Python contributors with Community Service Awards, Distinguished Service Awards, and the Frank Willison Award

The PSF:

Provides fiscal sponsorship support

The PSF:

Communicates with our community

The PSF:

Supports Python programmers worldwide

The PSF:

Raises money :-)

How can you participate in the Python community?

Join as a basic member

You can:

Join as a supporting member

You can:

Join as a contributing
or managing member

You can:

Nominate someone as a PSF Fellow

You can:

Nominate someone for a Community Service
or Distinguished Service Award

You can:

Help grow and improve
the Python community and open source

PSF Work Groups

Creates and distributes marketing materials

Fellows:

Reviews PSF Fellow applications and determines if they qualify to be a PSF Fellow Member

PSF Work Groups

Grants:

Reviews and approves all requests for financial support

Sponsors:

Reviews and approves all PSF Sponsor applications

PSF Work Groups

Create your own:

Anyone can propose a working group as long as it supports the PSF mission

Become a Python Software Foundation Sponsor

The PSF is the primary source of funds and resources for furthering the development and adoption of Python.

Financial donations help support and sustain
the critical tools you use every day.

Join us as an annual sponsor and help us
continue to pursue our mission:
